Castle Methodist Church & St Botolphs Church

Dear David and church congregations,

Colchester CAP Debt Centre Christmas Hampers 2020

Just to say a big thank you for your donation of £390 to our Christmas Hamper Appeal, which we received by payment into our bank account. We very much appreciated your generous support for our centre. We were able to use this money to buy large hampers for client families.

The hampers were a huge blessing to our clients, who struggle in poverty with unmanageable debt. For some, a hamper means the difference between having nothing, and being able to celebrate Christmas with their families. For our staff and befrienders, passing on the hampers can be one of the real highlights of Christmas. You can find a film of one of the Life Skills clients getting their hamper [here](#).

In 2020 we are very blessed to have seen 28 households go free from debt despite the difficult circumstances. Our clients are some of the bravest and most hardworking people we have met and it is awe-inspiring to witness God transforming their lives.

With your invaluable partnership, CCDC will continue delivering its provision of services to the most poor and vulnerable, providing services including the CAP Money Course, Debt Help and the Life Skills course. With courses and debt help continuing to run online we hope to continue supporting clients throughout the pandemic.

We wish you every blessing for a peaceful 2021.

Yours in His service,

Patsi BXXXXX  
Service Support Administrator and Engagement Co-ordinator  
Colchester CAP Debt Centre

Always Hope
